POLVARO

T E N U T A

Tasting Notes

Our Merlot is full-bodied, warm, slightly tannic with a very smooth aftertaste. It has a highly intense bouquet with notes of blackberry and other wild berries.

Finished Wine

Varietal Content: 100% Merlot
Appellation: D.O.C. Veneto
Alcohol Content: 13% by volum

Food Pairings

Ideal with strong-flavored pasta and rice dishes, charcuterie, and all kinds of meat dishes.

Serving Method

Serve at a temperature of 64 °F - 68 °F in a large, long-stemmed wine glass.

Harvest and Vinification Notes

The Merlot grapes are hand-picked during the first ten days of October. First they are pressed, then they undergo a crushing process for 7 days in order to extract the color, aromas, and noble tannins. Fining takes place partly in steel and partly in oak barrels to give the wine a soft yet elegant hint of vanilla.
